Name of additional Reference:

Has this proposal also been submitted to the ASM's Grants-in-Aid Committee?

Yes ___ No ___

Briefly describe how you intend to spend the money if you are awarded the fellowship:

Please provide a short description of the background, methods, and expected outcome of the research you propose to support if awarded the fellowship.

Your application must be accompanied by two letters of recommendation from persons familiar with your scientific background and current academic program; one must be from your graduate advisor. Both the application and letters of recommendation **must be received by the Chair of the Committee no later than 15 May** to be considered. It is the responsibility of the applicant to ensure that letters are received by the deadline. Electronic submission of all documents is encouraged.
