Your application consists of a 3-page document as outlined below. Please ensure (1) that this file is a pdf; and (2) that this file is named YOUR LAST NAME\_YOUR FIRST NAME\_AGSRF. Failure to comply to these requests may result in our inability to review your proposal.

Please email your application to the Chair of the African Graduate Student Fellowship Committee (for 2017, Dr. Jacob R. Goheen, [jgoheen@uwyo.edu](mailto:jgoheen@uwyo.edu)) by 15 February 2017. In the subject header, please put YOUR LAST NAME\_YOUR FIRST NAME\_AGSRF.

**In three sentences or less, briefly describe how you intend to spend the money if you are awarded the fellowship. We cannot fund university tuition or expenses associated with professional conferences. We are particularly interested in funding work for which the modest award amount (\$1500 USD) would substantively enhance a candidate's ability to carry out the proposed research.**

**Pages 2 and 3 are the description of your project. Please follow the guidelines below:**

Please provide a two-page description of the background significance, methods, and expected outcome of the research you propose to support. The application and letter from your advisor must be received by the chair no later than 15 February 2017. It is the responsibility of the applicant to ensure that the letter is received by the deadline. The application may be written in English or French; please see Frequently Asked Questions.
