This Committee was established as the *ad hoc* Committee Review Committee in 1998 by the President and charged to formalize mission statements, clarify responsibilities of each standing committee, and to prepare a working document entitled, "Duties and Responsibilities of Standing Committees," for distribution to officers, board members, and committee chairs. In 2000, this Committee was made a standing committee, the Committee on Committees, by the Board of Directors. Following the 2003 meetings, the name was changed to Coordination Committee.
